## After School Extra-curricular Activities (originally published in January's Newsletter)

Now that we're finally starting to get settled in to the new facility, I would like to aggressively recruit MMCA Parents to help me in starting some new after school based extra-curricular activities. Currently, we have a great Yearbook Club led by MMCA Parents Shelley Frাগiao and Banetta Bacchi. While not MMCA-affiliated, Ray Baldonade hosts his Rocklin Karate Academy here at MMCA and teaches karate classes on Tuesday and Thursday evenings (Saturday mornings as well).

I would like to get some more clubs / groups going ASAP. I am receptive to both free and fee-based ideas. Examples of past after school activities include: music lessons (piano, violin, etc.), a debate club, chess club, sports clubs, drama club, etc.

For example, to help get this going, I am going to be leading a basketball club for 5th – 8th graders starting in February. If you as a parent have an interest in one of the areas listed above or perhaps another idea, please contact me at [brent@mmcharter.org](mailto:brent@mmcharter.org).

## Community Supplies

If you have been around MMCA for a few years, you know that we used to ask families to purchase school and community supplies and bring them to school in August. Storing that much copy paper, tissue boxes, and paper towels was a problem, so PTA stepped up and now purchases and delivers these items to our school when we need them. PTA does ask each family to reimburse them for these supplies at the beginning of the school year. We are about half way through the school year and running low on funds for these community supplies. If you have not reimbursed PTA for your student's school and community supplies this year, please do so. Checks can be dropped off in the office or you can use the online PTA store to make a payment ([http://mmcharter.org/PTA\\_store.htm](http://mmcharter.org/PTA_store.htm)). If you have already paid for your supplies, but would like to make an additional contribution, that would be greatly appreciated, as well. To see a list of items that are supplied by these funds, go to [http://mmcharter.org/parent\\_information.htm#Materials%20List](http://mmcharter.org/parent_information.htm#Materials%20List) and click the "Materials Lists" tab at the top of the page.
