## REMINDER PARENT WORK DAY: "Wiring Day"

Tomorrow, Saturday Nov 1st is our Computer and A/V workday. We'll be at the school from 10am until 2pm. As you can see from the jobs list below, we need lots of help. We need technical and non-technical help. We need physical help and typing help. The more people that we have, the more we'll be able to get done.

What we'll be doing:

- Running A/V cables though the ceiling (bring ladders!)
- Connecting A/V cables (we have directions and diagrams)
- Testing A/V systems
- Writing reference cards (cheat sheets) for using A/V equipment
- Installing software on the server
- Typing in 200 student names a couple of different times.
- Some of our software doesn't allow automatic import. :-)
- Creating and testing student login accounts
- Installing education software
- Debugging software installation problems
- Writing reference cards for using computers and software, etc.

## What's in it for you:

- Getting the computer and A/V systems ready for your students to use
- Pizza lunch
- Double volunteer hours
- Fun working with other adults instead of trying to get your kids to do their Saturday chores at home. :-)

Please RSVP and let me know you can come. If you give me an idea of which tasks you can do, it will help me do some personnel organizing before every body shows up.

Thanks,  
John Johnson  
Technology Committee

## Parking Lot Etiquette

When dropping off students please be sure to pull your car up as far forward in the drop-off lane as possible not leaving too much space between cars. If you need to leave your car please pull into a parking space. When pulling in and out of the parking lot please watch for children and make sure you are not driving over 15mph.

## Want to Run for MMCA Board of Directors?

### Deadline is November 8

If you plan to run for Board of Directors, remember to submit your application in the school office by the close of business on November 8.

Five positions will need to be filled, either by current members running again or by new folks throwing their hat in the ring. The term of office is two years.

It is easy to apply. Just stop by the office and fill out an application. In the event that more than five MMCA parents apply, an election will be held concurrent with the issuance of first term report cards. If only five applications are submitted, all applicants will be seated on the Board.

To all those planning to run, please start drafting your "official campaign statement" of 50 words or less. After the deadline passes, each candidate will be offered the chance to submit a statement (interest, values, background, goals, etc.). Statements of candidacy will be published in the weekly flyer.

Remember: November 8 is the deadline to apply
