

Friday Flier

December 12, 2008

Upcoming Events

- Saturday December 13th: Breakfast with Santa (informational flier about this available in the office and on www.mmcharter.org)
- MMCA PTA Mtg., Thursday, December 18th, 630p
- Winter Break, NO SCHOOL Dec. 20th – Jan. 4th

PLEASE support our Adopt a Family program for the Holidays!

We sent an informational flier out last week about our annual Adopt a Family program (available in the office), as well as an e-blast about the program. This is a very worthy cause that will help some families within our greater community as well as anonymously help some of our MMCA families. We recognize that these are extremely difficult financial times – thus anything you could spare would be GREATLY appreciated and put to good use. You can either grab an ornament off of our giving tree here at school, or you may donate online at the PTA Store http://www.mmcharter.org/PTA_Store.htm.

New paper recycling program starting – bring us all of your ‘dry’ paper garbage!

Some of you may have noticed a green dumpster on the fire road next to the playground. I am pleased to report that we have entered into a partnership with Green Fiber, a company that recycles all dry paper products into residential insulation. They will take all dry paper products – please see their basic flier that’s attached. They will pay us \$20 for every ton of paper products that we recycle. Proceeds from this recycling program will be going towards the eventual MMCA garden, which will be located behind the green recycling dumpster.

PTA Membership Drive

Our PTA has a membership drive under way right now, with a special promotion that the class that signs up the most new members will receive a PTA-sponsored ice cream party. You can sign up to join PTA in our office, or at the PTA store website, http://www.mmcharter.org/PTA_Store.htm.

Want to bring back the fun in parenting?

Join us for 5 weeks for the Becoming a Love and Logic Parent. This program was designed by experts in psychology and kids from the Love and Logic institute. Use their techniques to minimize lectures, nagging and yelling and encourage your kids to be responsible for their own actions. The DVD real life examples and practical discussions will together empower you to be a better parent. Leave each week with new ideas and strategies to make parenting more fun.

**Monday’s, January 26 –
Feb 23**

6:45 – 9:00 pm
