Heads up: MMCA Goal Setting Conferences Coming Up

This year, we are experimenting with a mandatory goal setting conference in the early fall, versus our normal parent-teacher conference in mid-November. We want to use this as an opportunity to get parents and teachers 'on the same page' much earlier within the school year.

As you know from your calendar, the conferences are a few weeks away. We're going to be sending home more detailed information about the conferences (including information on how to sign up for your conference times, which will be done via our website this year) on Monday. You may be receiving a brief survey from your child's teachers asking for feedback as well.

Heads up: 1st MMCA Newsletter of the school year going home next week.

Article submissions are due to Mrs. Brown at cbrown@mmcharter.org by Tuesday, September 23rd.

Attendance Line

To report your student's absence, call our school's main phone line (630-1510). If one of our staff answers the phone, ask to be transferred to the attendance line (or extension 302). If the automated system answers the phone, it will direct you to the attendance line. Please call in to report your student's absence by 10:00am on the day of their absence.

Waiver for Students Leaving Campus

If you would like your student to walk off campus (including to the park), please come in the office and fill out our waiver form.

Celebrate the Campus

Years in the making and a great source of pride to many, our new campus is a reality. Join us on Thursday, October 9 at 10 AM as we officially christen our new campus with a good old fashion Ribbon Cutting, big scissors and all. Details are being finalized. Dignitaries, media, elected officials, BUT most importantly you, the life blood of our school community, are invited to join us. It will be the first event of a very exciting weekend on campus with the Harvest Festival scheduled for Saturday, October 11. To help with the Ribbon Cutting Ceremony or the Harvest Festival e-mail Red Room Parents Bruce Houdesheldt houde54@comcast.net or Laura Preszler preszler@surewest.net

Income Surveys

Your child(ren) should be bringing home an income survey today. Please take a moment to fill this out and return by the end of next week. We are asking that a survey be filled out for every student at MMCA as a number of opportunities exist to apply for grant funding based on this information. The information is considered highly confidential and will only be identified by a student ID number, not by name. If your child did not bring one home, please call or email Ms. Williams (extension 202, dwilliams@mmcharter.org) to get another copy.

Fieldtrip Drivers: Reminder

We need the following information on file for each parent that is driving on a fieldtrip:

- Copy of Drivers License
- Copy of Auto Insurance
- Signed "Agreement to Transport Students" Form
- DMV driving record print out

MMCA Classifieds

Hi! My name is Gabby. I'm in the Green Class. My church has a program called "Edge." They are doing a clothes drive for the less-fortunate. The clothes must be gently used, like clothes that may not fit you, or something you just don't wear. You can drop off the clothes to the box labeled "Gabby" that will be in front of the Green Class on Monday. Thanks so much!
