# SCHOOL EMPLOYEE COVID-19 TESTING

## SURVEILLANCE TESTING

---

Guidance from California Department of Public Health recommends surveillance testing for school staff based on local disease trends. In consultation with Placer County Public Health, the following testing options are available:

### **PRIMARY CARE PROVIDER**

Contact your primary care provider to request a COVID-19 test. The California Department of Managed Care released an emergency resolution on July 17, 2020 stipulating that school employees are essential workers and therefore their healthcare provider should cover costs associated with their COVID-19 testing.

### **OPTUMSERVE TESTING SITES**

Schedule your test at a location near you by visiting [lhi.care/covidtesting](https://lhi.care/covidtesting) or call (888) 634-1123.

---

### **RESULTS REPORTING**

After receiving test results, report the results with your school district to ensure appropriate safety measures are being taken on campus.

If you have cold-like symptoms or have been exposed to someone who tested positive for COVID-19, please schedule a COVID-19 test at a Placer County School Testing Site at [www.placercoe.org/schooltestingsites](https://www.placercoe.org/schooltestingsites).
